

# **NEW MOTION PHYSICAL THERAPY INC., P.S.**

**Effective July 1, 2015**

## **Late Cancellation and No Show Policy**

We value your time, too. We will make every effort to see you on time, and we appreciate your timely arrival. In the event that you are unable to make a scheduled appointment, we request that you provide us with at least 24 hours notice. We charge a \$100 fee for Late Cancellations (less than 24 hours notice) and No Shows.

We realize that circumstances outside of your control arise on occasion and we will take this into consideration before assessing the \$100 fee.

## **Cost of Physical Therapy**

Your initial hour-long evaluation and treatment costs approximately \$150 to \$200. Each hour-long follow up visit usually averages \$160 or approximately \$125 with your insurance discount. Aquatic therapy visits will be slightly more. The insurance discount varies by insurance company and is based on our preferred provider contract. The average discount is approximately 30%; we are required to write off this discount.

Discounts may be available for patients who would like to pay cash at the time of their visit. Please ask our receptionist for details.

## **Courtesy Insurance Call**

We will initiate an insurance verification call on your behalf. We will make every effort to track your benefit as it was defined to us by your insurance carrier. Ultimately, you are responsible for knowing and tracking your benefits. We are happy to assist you with any questions you may have.
